

A modern interior design package featuring a desk, chairs, bookshelves, and a large arched window. The scene is a bright, minimalist workspace with a dark wood desk, a laptop, and a modern chair. A large arched window provides a view of a green landscape. The room is decorated with a chandelier, a bookshelf, and a wall-mounted lamp.

STAGE 1 - The Brief

STAGE 2 - The Design

STAGE 3 - Materials & Finishes

STAGE 4 - Install & Staging

OUR PROCESS

Here at Jasmine & Lilah Design, we believe that your home should be a true reflection of your lifestyle and personality. Our flexible design packages are created to satisfy independent requirements and project sizes, making it an easy and simple process, whether you are looking to renovate just one room, or a full property. We take pride and care in each individual project, and ensure a smooth design process throughout for our customers.

As part of our initial brief we will get to know your lifestyle and vision for the space as well as timelines and budget. We can then get to work to re imagine your space, creating a new layout that maximises the space and ensures it works practically within your home.

Following on from a confirmed layout and depending on the design package, we produce a full design document containing concept boards, materials and finishes. We collaborate with you regarding all the proposed furniture, lighting and finishes prior to installation and staging, ensuring all design details are covered.

Our talented team pay attention to all the small details, ensuring we curate the perfect space and ensuring you have a smooth and enjoyable journey while working with us.

THE ESSENTIALS PACKAGE

Whether you are looking to update your Living Room, Dining Room, Hallway or Bedroom and need guidance for the individual areas in your home that need a refresh, we are here to help with our carefully considered Essentials Design Package.

Our team of experienced Interior Designers will tailor a package to suit your ideal design style, and even guide you if you are not sure which design direction you would like to take.

The Essentials Package includes the following:

- Space Plan Layout
- Concept Mood Board
- Materials & Finishes Selection
- Product Specification including Furniture, Lighting and Accessories
- Optional Install & Staging from our Talented Team*

PRICE FROM £350.00 PER ROOM**

* Additional Fees Apply

** Multiple room design prices available upon request

THE PREMIUM PACKAGE

If you are looking to upgrade rooms within your home, but need some extra guidance and visual inspiration showing how the final result will be on completion, our Premium Package is the perfect option.

Our team of experienced Interior Designers specialise in producing high quality 3D Visualisations that will show the final results of your dream space before it has even commenced.

The Premium Package includes the following:

- Space Plan Layout
- Concept Mood Board
- Materials & Finishes Selection
- High Quality 3d Visualisation
- Product Specification including Furniture, Lighting and Accessories
- Optional Install & Staging from our talented team*

PRICE : FROM £600.00 PER ROOM**

* Additional Fees Apply

** Multiple room design prices available upon request

THE PREMIUM PLUS PACKAGE

Are you looking for a full home renovation? Or one that requires more than just new furniture, accessories and lighting? Our Premium Plus Package is ideal for properties that are in need of full design and project management.

Our talented team will create a full design package and work alongside our trusted contractors to carry out the required work. That may include bespoke joinery work, electrics, kitchens, bathroom fit outs and flooring.

Our design team would then install & stage the property, allowing the client to walk into a fully transformed interior without all of the stress.

Our Premium Plus Package includes the following:

- Space Plan Layout
- Concept Mood Boards
- Material & Finishes Selection
- High Quality 3d visualisation
- Technical Drawings
- Product Specification including Furniture, Lighting and Accessories
- Project Management
- Install & Staging
